Inclusions & Exclusions

Service Description

Leaptel's Business SIP Trunk service is voice service where the call is terminated on your Phone System.

The Business SIP Trunk service includes the following components:

- Single Phone Number (by default)
- Priority business support via dedicated business support line and email.

All trunk channels must be on the same plan, cannot mix and match.

Our Business SIP Trunk services are not suitable for those looking for emergency phone connections. It will not work during a power or signal failure and it is not guaranteed to work during an emergency. If you require this sort of phone service we recommend you look at other alternatives.

Availability

Business SIP Trunk connections are available across Australia. You will need a reliable internet connection for the SIP Trunks to work.

Customer Service Guarantee

CSG Waiver: The standard Monthly Charge and Setup pricing stated in the Information about Pricing section are based on new customers agreeing to waive the Customer Service Guarantee (CSG).

Equipment required

Leaptel Business SIP Trunks are designed to be terminated on a Phone System. You will need to provide your own Phone System.

Minimum Term

Leaptel's Business SIP Trunk plans are supplied on a no lock-in contract term (customers are able to terminate the service by giving 30 days' notice). No pro-rata credits or refunds are offered for services cancelled mid-month, any post paid costs will also be applied.
