

Leaptel Refer a Friend Program

Terms and Conditions

Making a Referral

- To refer your friend you must obtain your account number which is located on your monthly invoice statement.
- Provide your account number to the person (referee) you wish to refer.
- The referee must complete an online application form and sign up to any residential nbn™ or Opticomm plan.

Reward

- Once a referee has been accepted by Leaptel and paid for their second month, the referrer will get a credit of \$50 applied to their account.
- The Reward will be credited to the referrer's account by the end of the applicable calendar month during which the referee paid their second invoice.
- There is no cap on the amount of credit that the Referrer can obtain.
- The referee will receive a \$50 credit upon paying their second month invoice unless they have obtained another promotion during the online application process. This \$50 credit will be applied to their account for their third month invoice.

Terms and conditions

1. The Leaptel Refer a Friend program Promotion is available to all existing Leaptel residential internet customers on nbn™ and Opticomm products who introduce a new customer to Leaptel residential internet in accordance with these Terms and Conditions.
2. A referral will be successful once the referee has been accepted by Leaptel, has an active service and pays their second months invoice.
3. The Reward available for each successful referral is \$50 to the referrer and \$50 to the referee.
4. A referee Reward cannot be used in conjunction with other promotions and offers. If a signup is eligible for a promotion and a referee Reward, the one with the great value to the customer will apply.
5. Rewards are first applied as a credit to the referrer's account at the end of the calendar month during which the referee pays their second invoice. Rewards are applied to the referee's account (where applicable) the at the end of the calendar month during which the referee pays their second invoice.
6. The Reward cannot be used to buy modems, routers or any hardware.
7. The Reward cannot be redeemed for cash.
8. The Reward cannot be transferred to another person or party.
9. This program only applies to residential nbn™ and Opticomm services. It does not apply to any business grade service.
10. There is no limit to the number of friends you can refer.
11. You cannot refer yourself for a subsequent account.
12. The person you are referring must be aware of the Reward you receive from using your code.
13. You must not advertise, market or publicly list your referral details in any manner. Should you do so any Reward obtained from your code will be voided including any associated account credits.

14. Leaptel reserves the right, in our sole discretion, to remove your access to this program if you breach our fair and acceptable use policy, or we have otherwise formed the view that you are scamming this program. In the event of a dispute arising out of this Promotion, the decision of Leaptel shall be final.
15. Leaptel reserves the right to withdraw this offer at any time.

Privacy: to participate in this program, existing customers must disclose to their friend their unique account number. Leaptel does not provide existing customers with any information about referral friends, except for the fact that someone you referred has become a customer and that you will, therefore, receive a refer-a-friend credit.
