

Terms and Conditions

New Development Offer

Eligible Addresses:

Leap Telecommunications (Leaptel) is offering discounted plan pricing for addresses at locations with access to **nbn**® FTTP technology that have not been connected to the **nbn**® network previously, and that are not part of the **nbn**® Fibre Connect program. To check availability of the offer, use the address checker at leaptel.com.au/nbn-new-development-offer.

Eligible Plans:

The below pricing is only available at eligible addresses. The full New Development Offer promotion terms and conditions are published on the Leaptel website at leaptel.com.au/nbn-promotion-tcs/#new-development.

| Download Speed | 250 Mbps | 500 Mbps | 1000 Mbps | 2000 Mbps |
| Upload Speed | 100 Mbps | 200 Mbps | 400 Mbps | 500 Mbps |

1. Maximum charge is the full cost of your monthly internet service. It does not include any additional fees outlined in the billing section of your plan's Critical Information Summary for non-payment of your monthly invoice or for service extras.

2. This is the monthly discount amount and duration that you will receive from the **nbn**® New Development Offer promotion. If you change your plan the offer will change depending on the current offers available for your new plan and any other eligibility requirements.

Requirements:

- If an installation appointment is required, someone over the age of 18 must be home during the appointment window.
- If required, the Network Termination Device (NTD) will only be installed in a suitable location based on guidelines listed in the **nbn** FTTP installation guide nbnc0.com.au/residential/upgrades/more-fibre/step-by-step-guide.
- A New Development Charge (NDC) may apply when connecting a location to the **nbn**® network for the first time. More information about NDCs is available in the Critical Information Summary (CIS) and at leaptel.com.au/new-development-charges.
