

Explanation - Phone Bill

As I am on a \$0 per month pay for calls plan, I no longer receive a phone bill from Internode.

Attached is the last bill from when I was on Internode's \$10 per month phone plan.

Also attached is the email from Internode advising when my NBN phone service became active. This shows the NBN Phone Service ID.

If further information is required in order to port my number to Leaptel, please let me know what you need.

Many thanks.
